

# MASTERING ANTERIOR & POSTERIOR COMPOSITE RESTORATIONS: ACHIEVING ESTHETICS THAT RIVAL PORCELAIN

with  
**David Chan, DMD, AAACD**

**SEPTEMBER 20, 2025**  
**CALGARY, AB**

## COURSE DESCRIPTION

This course will elevate participants' skills in both anterior and posterior composite restorations, allowing them to create esthetic, functional, and long-lasting restorations that seamlessly blend with natural teeth.

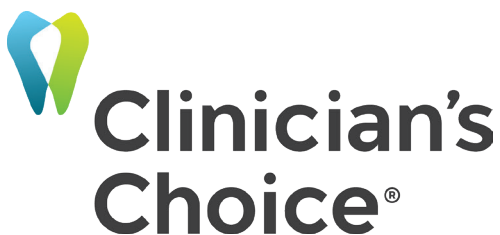

Participants will gain in-depth knowledge of composite systems, shade selection, adhesive techniques, layering protocols, and finishing strategies. The course will include hands-on practice, and step-by-step guidance on both anterior and posterior restorations, ensuring predictable and repeatable results in daily clinical practice.

## WHO SHOULD ATTEND?

This course is geared toward restorative clinicians who want to master the concepts to predictably create and excel in direct composite restorations that rival porcelain.
